

# Modification license number for Satellic OBU

Using this form, you have the possibility to change the license number as well as the vehicle data of your Satellic OBU. Please fill out the form completely and send it back to us exempt from charges (pan-European) as follows:

**Fax: 00 800 / 88 26 83 62** or via **E-Mail: support@uta.com**

## 1 Customer data

UTA customer number (if available)	
Satellic ID	
Company name	Contact person
E-Mail address	Phone number

## 2 Important information BEFORE modification of the license number

- Please power the Satellic OBU from the receipt of modification at the latest.
- Ensure electrical power supply as long as the modification is being completed.
- Before departure, please make sure that the modification of the vehicle data was correct. You can check the current related vehicle data in the menu of your Satellic OBU at any time.

## 3 Modification of the license number

Satellic OBU-ID (starts with 00041000...)	license plate OLD	new vehicle data			
		license plate	nationality	emissions class	Maximum total weight incl. trailer in kg (F3)

**Please add a copy of the acceptance paper (registration document) for each newly reported license plate where all vehicle data are indicated.** In case the emissions class and the total gross load are not indicated in the acceptance paper, please add an additional verification (for ex. ECMT-license, COP document, COC certificate).

### Data Privacy:

By virtue of signing this form I authorise UNION TANK Eckstein GmbH & Co. KG to conclude in my name the user contract with the toll operator necessary for accounting and settling tolls and to undertake registrations and amend registrations in the operator's system, including via data interfaces such as the AGES KESS system. With my signature I also acknowledge the "Terms and Conditions of the UTA Viapass Premium Services" the data protection regulations of "UTA", which are available online in the UTA Exclusive Section and the general terms and conditions of the toll operator Satellic N.V., which can be consulted at <https://www.satellic.be/en-UK/downloads/extras>. I affirm that I acknowledge them and agree to be bound by them.

UTA will not be liable for any damages resulting from the fact that vehicle registration numbers have not been changed or have not been changed in due time, unless UTA has deliberately or with gross negligence caused such damage.
